Swinton Parish Plan Update 2016

To update the plan WE REALLY NEED THE VIEWS OF EVERYONE IN THE PARISH so a questionnaire will be delivered to every house in Swinton hopefully before Easter and will be collected about a week after delivery so please fill it in. Your answers are confidential

The village plan provides village opinions to Parish Council and RDC and can assist decision making, which can be used as guidance by the Parish Council and Ryedale District Council and other organisations involved in social, economic and environmental developments that may affect the Parish.

They also provide proof of need when applying for external funding for projects within the Parish

As a result of The First Village plan in 2011 we've had

The Village Newsletter, The bonfire, Children's events, Discos, beetle drives and bingo

A village fete and picnics, Harvest festival and senior citizens lunch, Open gardens and

Treasure Hunts.

If you wish to help with the distribution and preparation of plan contact Janet Bailey 01653 693638

SENIOR CITIZEN'S LUNCH

On Wednesday 20th January 2016 various village senior citizens were collected from their homes and transported to the Blacksmith's Arms, others made their own way there. They were all met with a complimentary drink and welcomed to their tables.

Soon the crackers were exploding and the jokes were causing hilarity. After putting on the hats the main course was served by the Swinton Village Action Group committee members and John was maintaining a steady flow of drinks from behind the bar. How the chef managed to present 21 meals, which were hot and delicious, all at the same time is amazing. A turkey dinner with all the trimmings with plenty on each plate, followed by Christmas pudding and custard, coffee and mints. Well I was full and I

suspect many of the attendees returned home for an early afternoon nap! Many people also donated raffle prizes, including John and Marcia, so that more than half of the attendees took home a prize!

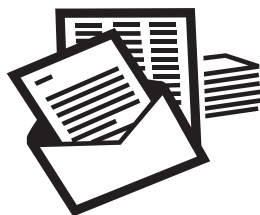

We must thank firstly all the people who at-

tended the Auction and raised so much money, the committee for organising the transport and the meal, for Jan and Dianne for being servers; and not least the Chef, John and Marcia for making the event so successful.

We hope the next Harvest Festival Auction is also successful, but more importantly that many more senior citizen are able to attend the lunch.

It doesn't matter how large or small your garden is as long as there are things of interest. On that note it has also been suggested that it could tie in with a scarecrow display at houses around the village.

Carols At The Blacksmiths Arms 2015

On 16th December an hour of carol-singing in the early evening was much enjoyed by the villagers who came along.

Sitting with a drink, by a roaring log fire as Rev. Martin and

Colleen Allwood led our singing, was a great start to the

festive season. Martin provided song sheets and we chose our

favourites to sing, which we did with enthusiasm and in tune! Gareth Malone would have been proud and it would be good if this could become an annual event for us all to enjoy.

Many thanks to the pub, Martin and especially Colleen, for accompanying us so skilfully on the keyboard.

Swinton and District Excelsior Band

Swinton Brass Band

Although, as I write this it is only the first day of March, Christmas carolling seems an awfully long time ago. Our thanks go out to everyone who donated so generously to the band over the Christmas period because we rely totally on your donations to see us through the winter when we are not so busy. Our summer engagement list is filling up fast and we will be out and about during summer starting early this year at Sewerby Park, Bridlington on Sunday April 10th starting at 2.00pm in the Orangery and going through to early September with an engagement most weekends. We will publish the full list when it is completed so you can come along and listen. But before that however, there is the not so small matter of the North of England Championship contest at Durham on Saturday March 12th. We are rehearsing extra evenings and even some Sunday mornings (apologies to our very understanding neighbours)

to try to qualify for the 'Finals' in Cheltenham in September. We currently the top the Northern Area 4th section league table and could, with a good result, be promoted to section 3 next year.

Our new CD, 'Notes From Swinton' is selling well - some of you may have received one for Christmas. If not and you want one they are available at our concerts and from band members. They are priced at £10.00. It contains a wide variety of music with something for everyone and has already had much 'air time' on Vale Radio and the Sunday brass band show on BBC Radio York and Leeds.

We have recently recruited some young local learners to our training band who are all progressing very well and some may even be ready to join in over the summer for some of our training band concerts. Please come along and support them. Their first outing will be

at the Slingsby May-Pole celebration on Monday May 2nd from 11.00 to 12.00 on the village green.

We still have vacancies for total beginners of all ages, don't worry if you can't read music because we teach that as well. We also especially welcome experienced players and anyone who has played in the past, maybe at school, and who has had a break but would like to take it up again. We offer free lessons, free instrument and uniform loan and do not charge a subscription. If you want to find out more contact Steve or Tracey on 01653 696417

or tpopham1@yahoo.co.uk, visit www.swinton-band.org, pop into the band-room on a rehearsal night (most Mon & Weds - Senior band 7.30 - 9.00 and Fri 6.30 - 8.30 Training band and beginners). Or alternatively come and talk to us at one of our concerts.

We hope to see you

Coneysthorpe Table Tennis Club

Coneysthorpe A, champions of the York & District Table Tennis League for the last six years in succession, whose home venue is Swinton Reading Rooms, look to be firmly on course to continue their domination, as at the half-way stage of the 2015/2016 season, with exactly one hundred points to their credit (the system is one point for every set won, with a maximum of ten points available per match), they are a massive twenty six points ahead of their nearest challengers, York RI A.

Martin Lowe, unbeaten for two years, has played in ten out of the eleven matches, winning all his twenty nine sets. James Rule likewise has a one hundred per cent record from his twenty eight sets played in ten matches, whilst Ashley Hodgson's record from his eight matches is won nineteen, lost four sets. Joel Wright and Paul Young have proved able deputies when called upon, winning five and four sets respectively.

Meanwhile Coneysthorpe B, also in Division 1, are comfortably enough placed in mid-table with fifty four points from eleven matches not to have to worry about the prospect of relegation, subject to them maintaining the form they have already shown.

Captain Joel Wright, with twenty three victories from thirty three sets, has led by example, and useful contributions have come from Charlie Allott, thirteen sets won out of thirty, and Chris Londesbrough, eleven sets won out of twenty seven.

Coneysthorpe didn't fare quite so well in the first round of the Shepherd Handicap Trophy. The A team, comprising of father Martin and sons Matthew and Sam Lowe went down 4-5; the B team's captain James Rule orchestrated a 7-2 victory, with important back-up provided by Charlie Allott and Malcolm Haswell, whilst the additional C team, entered for this competition, slumped to a 2.5 - 5.5 defeat
